PLAN

A1 · COMPLETED REPORT

“On Story Day Five, the paper group finished its shared picture book. On Story Day Seven, some people drew page borders to celebrate finishing it. This is an invented report.”

A2 · DATED TRACE

“Story Day Seven · page-border drawing to celebrate the finished picture book. The drawing shows a square page inside a wide frame. It does not show every person.”

A3 · BELA SAYS

“I am Bela. The finished book matters to me because I can share its made-up pictures. This is my own reason.”

A4 · CATO SAYS

“I am Cato. I drew a border with my aunt Rumi on Story Day Seven. I have not reported every family’s view.”

A5 · LABEL PLAN

“I plan a new plain label on Story Day Nine. A label made then is not proof that another celebration happened.”
