B1 · EVENT / FUTURE PLAN

“On Story Day One, the paper group read its first shared story page. I plan a quiet look on Story Day Eight to remember that first reading. I have not reported that look taking place.”

B2 · UNDATED DRAWING

“This undated drawing shows a rectangle page and a round dot label. It does not say when or why either was made.”

B3 · DAVI SAYS

“I am Davi. That first shared reading matters to me because we read our made-up words together. This is my own reason.”

B4 · ESME SAYS

“I am Esme. I read on Story Day One with other paper readers. I have not said whether I joined the later look or who else would.”

B5 · MARKER REQUEST

“I ask for a plain archive marker about the plan. Ask before showing it. I have not reported any reader using it.”
