An invitation to a shape game · FIRST made-up choice

A made-up choice to notice · use after your own first idea

One triangle

Two triangles

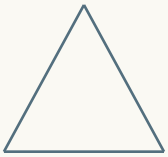

Made-up choices, not a real event. Your own idea can be different.

An invitation to a shape game · SELECTED made-up choice

A made-up choice to notice · use after your own first idea

One triangle

Two triangles; chosen words

Your choice

Made-up choices, not a real event. Your own idea can be different.

Make a different idea your way

One own part is enough · drawing or writing is optional

My unrelated own idea

Keep / try / change / leave

Make, describe, direct a willing helper or plan. Help is named; privacy and pass stay available.

C03 · An invitation to a shape game — illustrated fictional possibilities

Complete source · use one useful part in your usual communication

New original native illustrations of two already-approved written model possibilities. Use only after an own initial contribution if helpful. FIRST and SELECTED are fictional model labels, not learner history or controlled first/later stages. Actual learner operation/source/recipient/response remain unsupplied. An unrelated own idea, description, AAC, directed helper, unmade plan, private keeping or pass is valid. Full original written facts/ownership/evidence/own-try follow unchanged.

C03 · An invitation to a shape game

Domain and intended job: Games; invite pretend play with an own drawn shape.

Full first written design:

- one triangle in a broad empty region.
- two triangles beside each other.

Full selected written design, referring only to the complete first facts above:

- one triangle in a broad empty region.
- the same two triangles and the exact scribed phrase 'Your choice' below.

Worked comparison: The selected second region adds the chosen phrase; triangle count and placement do not change. No actual game, turn or independent writing is supplied.

Ownership and operation: Fictional child selects/draws triangles and chooses words; adult scribes only the requested phrase.

Evidence boundary: Supplied written fiction only. Actual learner making, tool operation, source encounter, recipient and response are not supplied. No invented reply is treated as real.
