Full literal blank alternative

Choice: blank. Actual made work/plan: blank. Actual reception/medium/presenter if any: blank. Response/NONE: blank. A blank, permission or pictured user does not create an audience event.

An agreeing helper can follow your directions; their physical drawing/handling remains theirs. Adult-added ideas are named. An unmade plan stays a plan. Stop, rest, help, private keeping, a different job and pass are welcome. You do not have to explain a reason or share. Actual source/recipient/response is recorded only if it exists. No name or private details.
