Own response · G first · A pretend pocket lighthouse

Use only with this complete source (source.html). No sample answer is supplied. Child responses can be made work, directed fabrication, a specification, gesture, sign, AAC, speech, later or pass. An adult may scribe exact contributions, naming help.

Q1 · What would you like your show to communicate? A point, sign or chosen feature can answer.

Child's exact choice / actual work or plan / not observed:

Q2 · Make or direct one wanted picture, then another if wanted. What actually exists? A specification may stay a plan.

Child's exact choice / actual work or plan / not observed:
