Fresh AL: a new note

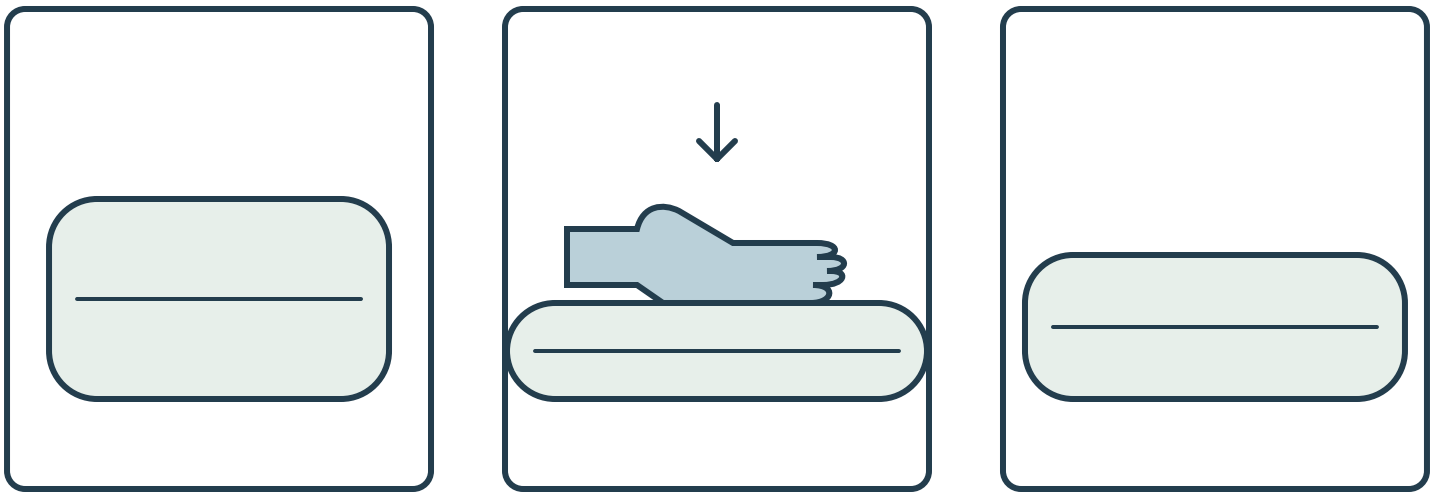

Held until first response. Qualitative source relations, not measurements.

FRESH AL · FICTIONAL POLYESTER CLOTH T

PRIOR PREDICTION:

“The side will stay as low after letting go as while pressed.”

BEFORE **PRESS** **RELEASE**

Before tall; pressed lower/wider; release as the hand left.

Release rose partway: above pressed, below before.

One adult gentle palm press. No slipping. Exact force not recorded.

Material maker label in this fictional case: polyester.
