# Press, let go, what changes?

A possible dry tabletop inquiry. Your own question leads the try.

## WHAT WOULD YOU LIKE TO NOTICE?

### ONE BROAD FAMILIAR CLOTH OR SOFT PAD

Choose one bit. Give your prior idea. One gentle press if welcomed.

Let go. Notice what is available. Similar, changed or unclear is valid.

Adult prepares locally approved item and access; nobody has to touch.

Only one person acts. Nobody presses alongside your tactile access.
