Teacher lesson card

One useful job. One learning goal. A few good choices.

Fill only the fields that help. One useful note is enough to start.

Choose and prepare

Activity / useful job:

_____

_____

Original resource link / version / day:

_____

_____

Learning goal / exact source criterion:

_____

_____

Local programme / state requirement to check:

_____

_____

What learners have already been taught:

_____

_____

Familiar materials / adult setup / source or key:

_____

_____

Time and setting:

_____

_____

Run the session

Invite — one child-facing sentence:

_____

_____

Show or read — the short model / exact source:

_____

_____

Try — what the child actually chooses or does:

_____

_____

Two ways in, plus their own idea:

_____

_____

Pause / quiet / another short sitting:

_____

_____

Notice — one question or action to look for:

_____

_____

Close — keep / change / return / next curiosity:

_____

_____

Brief private note after use

Actual source/date and first response:

_____

_____

Response route / exact support / adult contribution:

_____

_____

Made / tried / shared / not yet observed:

_____

_____

One next invitation:

_____

_____

Blank planning tool: not an assessment instrument. Preserve fresh-check sources and first responses. Keep completed learner records locally under your setting's rules. Original SubjectNest by NeuroForgeIO Pty Ltd, 2026, CC BY 4.0.
