RB-first — own response blank

Use only the complete RB-first source (source.html); the educator supplies it separately. No key/model is here. Blank means not recorded. An exact wanted scribe can record your words/marks.

Question 1

Order the record dates and name the kind of source supplied.

My actual response or marks/exact account:

Question 2

Compare a continuity and a change in these two records using exact details.

My actual response or marks/exact account:

Keep the complete notice packet. Original expression CC BY 4.0; code/font/renderer terms separate.

Question 3

Discuss the two supplied purposes with attribution; say if they are real participant interviews.

My actual response or marks/exact account:

Question 4

Make a supported modest model/guide proposal and identify one needed check before actual public-space change.

My actual response or marks/exact account:

Keep the complete notice packet. Original expression CC BY 4.0; code/font/renderer terms separate.
