b-later · Reserve seaside-book icons

HELD · only this selected source. Adult keeps all other held sources, keys and answers out of sight. This complete source is not ordinary/home practice.

Complete source

Original pretend question: which ONE reserve seaside-book icons option would you choose? Options, in order: shell, boat, bird. Available replies in order: shell, boat, shell, bird, boat, shell. Eight fictional invitations; six available choices; two no available replies, reason and preference unknown. Each available reply is one choice. No actual survey, visit or child result is supplied.

Your own first idea

“Try your own way. You can pause.” Point, draw, say, sign, type, use familiar AAC or direct an adult to record exactly your choice. An adult may read every source word/question. Mathematical hints and calculated answers are separately named. Private, untimed participation and wanted support are welcome; writing/handling is not required.

Make or direct a complete list of the available replies. Keep the unavailable replies separate.

SubjectNest / NeuroForge 2026 · Original expression CC BY 4.0; separate terms accompany.

Keep complete notices and inert source/rights PDF attachments.

Make or direct a table showing each named option and its recorded count.

Which option has most recorded choices? Compare it with the second option in the source option order. How many more? What do the unavailable replies tell us?
