A trade that keeps the amount: model

Read, draw, say, sign or direct. One useful part can be enough.

MODEL · 405 = 4 hundreds + 0 tens + 5 ones

405 = 3 hundreds + 10 tens + 5 ones

400 + 0 + 5 = 300 + 100 + 5

Trade one hundred for ten tens; keep the amount.

Zero means no tens in the standard form.

A nonstandard count can exceed 9 without changing value.

hundreds	tens	ones
4	0	5
