A useful table: model

Read, draw, say, sign or direct. One useful part can be enough.

MODEL · Which paper game would you try? Eight fictional invitations; six available choices, two unavailable replies.

Source list: maze, matching, maze, story, maze, matching.

maze: 3 recorded choices

matching: 2 recorded choices

story: 1 recorded choice

No available reply: 2. Their preferences/reasons stay unknown.

3 + 2 + 1 = 6 choices; 6 + 2 = 8 invited records.

Maze is most among recorded choices, not everyone.
