06 · Caption and encounter

Use an own work or make one tiny arrangement first. Choose how someone could meet it.

A title/process note, complete literal description or optional safe private display can help.

Your own artwork / exact directions

Caption, description or encounter plan

Name your intention without declaring what everyone must feel. Describe meaningful features, order, overlap, space and contrast.

Sharing is optional. A display plan or caption does not establish an actual audience encounter or its understanding.

Title / actual process note / complete description:

My chosen encounter and why:

Actual sharing, planned or declined / what really happened:
