Your own trial / exact directions

D literal source: On a white background, five equal outlined circles form a group on the left: two above, two below, and one between them. The circles do not overlap. A sixth equal circle stands separately at the upper right. Three short diagonal dashes lie between the group and the separate circle, rising to the right. There is no arrow or seventh circle.

Use the blank frame or two scrap areas for an own first/revised arrangement. Choose how spacing, contrast or a boundary helps the idea.

Two supported readings of a supplied work are responding only: actual making unelicited unless separately performed.
